Q & A

GNEM SYMPOSIUM SPEAKER SERIES

presented by The Neuromuscular Disease Foundation

Speaker Series #091822

Estie Rose, Genetic Counselor, JScreen

FINAL HIGHLIGHTS:

“Getting to Know Your Genes”

Key Takeaways

1. Anyone who is planning on having a child should have carrier screening
2. Testing before a pregnancy is ideal
3. There are options for at-risk couples
4. Cancer genetic testing can help you and your family get ahead of risks
